Session I: June 19–July 7
Session II: July 10–July 28
Afternoon: 3:00 p.m.–5:30 p.m.
**Open to students entering
Grades Nursery–8**

Summer Lab Sports Camps is a recreational sports camp for children of all ability levels. Love of the game, fair play, and good sportsmanship rank high among teaching and coaching objectives. All sports camps use Lab's state-of-the-art facilities.

Children entering Nursery through second grade will participate in a rotation of sports during a three week period. The rotation consists of Little Big Leaguers, Little Strikers and Fit Fun and Games.

Third through eighth graders may select one of the following camps which they will participate in for one or both three-week sessions. Students may choose from Basketball, Gymnastics, Soccer, Swim Instruction, and Tennis.

Students will indeed have a ton of fun! Activities include arts and crafts, cupcake baking contests, soccer, spa day, wacky hair day, barbecues, swimming, games such as a hula hoop contest and bobbing for apples while under the care of engaging and experienced counselors. Spend the afternoon having a blast with friends while participating in action-packed activities.

"A truly wonderful experience!"

"Exceptional quality of instruction."

"...so creative and engaging"

Having fun, learning a ton.

That's Summer Lab.

At Lab, we know that learning is a year-round experience, which can, and should, take many forms. Our Summer Lab programs offer so many different opportunities for children to learn, connect, and discover—from sports and theater to urban adventure and academics. The programs are fun and like everything at Lab, they are designed to inspire curiosity, creativity, and confidence in each child. Summer Lab is open to all and draws children from around the neighborhood and from around the world.

Summer School

Children from Nursery through twelfth grade may choose from the variety of Morning, Afternoon, and Full Day classes. Summer School offers enrichment and academic programs such as Math, Reading, Writing, Science, Art, Cooking, and more. Join us at Summer Lab, where the love of learning spends the summer.
