

A message from the Newberry Academy Lunchroom

May 30th, 2017

Dear Newberry Families,

This email is to inform you that students will be served a bagged lunch on **Thursday, June 1st**, consisting of sun better (peanut butter substitute) and jelly sandwiches along with bagged cold vegetables and a carton of milk. This is to ease the flow of lunch delivery that day due to Leadership Day activities. If you wish for your child to eat something different on June 2nd, please prepare a lunch for the day.

We appreciate your cooperation.

Thank you -
