

## MAKING "HEALTHY" ACCESSIBLE

The Children and Family Benefits Unit (CFBU) of the Office of Student Health and Wellness (OSHW) can help you apply for low cost or free health insurance (Medicaid) and SNAP at no cost. In partnership with the Greater Chicago Food Depository and Patient Innovation Center, the CFBU will:

- Walk you step-by-step through the Medicaid and SNAP application.
- Help you understand your eligibility and the documents needed to apply .
- Assist you with renewing your Health Insurance or SNAP case.
- Help you choose a Health Plan and a Primary Care Physician.

### VISION

### DENTAL

### PRIMARY CARE

## Health Insurance (Medicaid or All Kids)

Medicaid provides children and their families with comprehensive health care coverage that can be used for doctor's visits, immunizations, prescription medications, dental care, eye exams, glasses, and more!

Note: All children in Illinois are eligible for health insurance regardless of their immigration status.
