

Newberry Families,

The Leader In Me program is in our third year. On behalf of the Environmental Committee, I would like to ask for your help in completing our outdoor project.

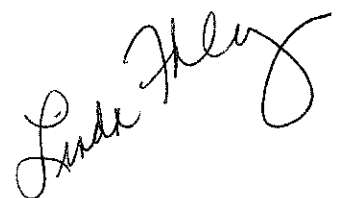

We are planning to put the sign with letters that consist of the phrase, 'GREAT HAPPENS HERE' on our fence in front of the school main entrance on Willow. We were hoping for **donations of ceramic tiles or plates; slightly chipped, mismatched, color or patterns, all are welcome.** We will break them up into smaller pieces to grout them onto the wooden letters.

Donations will be accepted from February 23rd – March 23rd and a box will be placed in the main office. We hope your unwanted plates can be put to good use for this project!

Thank you and we look forward to receiving your donations.

Sincerely,

Tomoko Hanna
Parent Representative,
Environmental Committee

A handwritten signature in cursive script, appearing to read "Linda Kelly".
