

December 21, 2011

Dear Newberry Families,

As we approach the holidays and get ready to close out the 2011 calendar year I would like to take the opportunity to thank all of you for your support and encouragement these past months as we strive to provide your children with a quality educational experience. I want to particularly commend the teachers and staff for their dedication and hard work. Their commitment to a quality school makes all the difference in the lives of your children. I would also like to acknowledge the work of individuals serving on the Newberry Local School Council and PTO/Friends of Newberry. They willingly share their time and resources to greatly impact the progress we make every year. Finally, I want to wish a very happy holiday season to the students of our great school. As a student body, they have worked very hard these past months to do well academically and to make positive behavior choices. It is an honor to work with each and every one of them on a daily basis. I am very grateful for the gift of Newberry Academy.

Here's wishing you and your family peace and joy this holiday season!

Sincerely,

Linda Foley-Acevedo
