Dear Friend,

Newberry Math & Science Academy is a top performing Chicago Public School, receiving CPS' highest 1+ rating, with a focus on math, science and technology. As a magnet school Newberry serves a diverse population representing every neighborhood in Chicago with approximately 60% of our student population from low income households. While Newberry's success is the result of the school's administration, teachers, and parents' dedication, there is no denying that recent cut to our budget for the second semester of approximately \$103,000 equating to 1 staff position, after school teaching and other program and supply fund cuts will undermine our progress and our students.

We need your help. Your tax deductible donation of a product or service to our Spring Fundraising Auction/Raffle Event can help us stabilize our community. Donations go a long way towards making our fundraising event a success as well as providing exposure and driving new customers to local businesses.

To donate, please fill out the attached form. You may mail or deliver the form and your donation to Newberry, or contact us to schedule a pick-up. We'd like all items delivered by June 1st. Receipts will be provided for all donations.

Thank you for your participation.

Your support makes every difference to our students!

Sincerely,

Friends of Newberry Academy (FON) & Newberry Math & Science Academy
