Dear Newberry Families,

Yesterday, Ms. Dolores Toolis began her role as the new School Clerk here at Newberry Math & Science Academy. Ms. Toolis was chosen after interviews with a variety of candidates and we are so very pleased to welcome her to our fine school! Ms. Toolis comes to Newberry with much experience in the school main office. In her 20+ years experience in Chicago Public Schools, much of her career has been spent in the high school setting, followed by a more recent transition to an elementary school before joining our family.

I was very pleased to see so many staff, students and parents stop by the office counter to greet her and introduce themselves. Even our kindergarten student *Paper Shred Leaders* had a chance to inform her how they prepare papers to be shred each and every morning! Ms. Toolis has spent yesterday and today getting better acquainted with routines and procedures while familiarizing herself with the layout to the school. Over the course of the next few weeks, if you have a moment, please feel welcome to stop in to introduce yourself and welcome Ms. Toolis.

Stay safe and warm!

Sincerely,

A handwritten signature in cursive script that reads "Linda Foley".
